

## **Boxing NS Volunteer Letter**

### **Re: Enhanced Police Information Check**

**Date:**

To Whom It May Concern:

\_\_\_\_\_ is applying to volunteer with Boxing NS as a coach/official/other active member for the year 20\_\_

Boxing NS is a not-for-profit society which aims to educate youth and adults in recreational and competitive boxing. Due to the close working nature of the training, all coaches and officials are required to complete an Enhanced Police Information Check (E-PIC) at their own personal cost every three years.

It is the hope, but certainly not the expectation, that this letter may lead to a reduction or elimination of said costs for persons interested in volunteering with Boxing NS, thereby helping to promote the sport.

***Volunteers:*** Please note that you are responsible for acquiring the above documents as per the expectations/application requirements of the organization and completing your search. Recognize that the costs vary, as do the application requirements; often, you will be asked to bring two pieces of government-issued ID, one with a photo identification.

*Upon return of the Enhanced Police Information Check, please submit all documents along with your registration fee and completed Membership application to Boxing NS in advance of the year you wish to register.*

Should there be any questions regarding the person seeking the check, please contact Boxing NS as per the contacts below.
